LADY WAR EAGLES VOLLEYBALL SPONSORSHIP FORM

We are so excited to begin another great season at Oak Ridge as well as continuing the success from the past. In 2015 and 2016 we qualified for the state tournament, and in 2024 we made it further than we ever have by making it to the Regional Quarterfinals.

Our girls are excited about this upcoming season! We are reaching out to area residents and businesses with hopes of gaining financial support for the team. It is our goal to raise enough money, so these girls may compete at a top level, while enhancing the program at Oak Ridge High School. Your sponsorship will provide financial support for the girls' volleyball program by funding such items as: **Tournament Fees, Community Service Projects, Balls, Equipment and Uniforms.**

Our main goal of the program is to shape each girl into a successful student athlete where they can compete and be successful throughout life.
